Our Management Team...

- **Neeraj Bharani – Director** - Holding a zest for creating a new arena for the world of fleet management systems, Neeraj has walked a long way in this industry that was never taken before. Taking consideration of the aspects that this industry lacked, he came up with a revolutionary vision that can give propulsion to pre-existing scenarios of logistics and redefine the modern supply chain systems. Having 20+ years of experience in the market, our Mr. Neeraj has closely witnessed what people what always craved for. Aiming at the solution, he came up with an ideology that bridges a firm association between the people working closely together with the assistance of automated systems. Adding more to the same thread, he got his team of like-minded people mushroom within a short time, who are relentlessly working towards achieving a dream of successful and effortless game-changer experiences for end-users worldwide.
- **Dinesh Bharani – Director** - Experienced Owner with a demonstrated history of working in the logistics and supply chain industry. Skilled in Operations Management, Warehouse Operations, Management, Transportation Management, and Account Management. Strong business development professional offering heading operations at PFL.
- **Prakash Rao – Vice President**
- **Shiv Gupta – Head of Operations**
- **Dinesh Solanki – Manager KAM**
